

- Go to the [Adobe account](#) page, and then click **Create an account**.

The image shows the Adobe sign-in interface. At the top, a blue banner contains the text "For your protection, please verify your identity." Below this, the heading "Sign in" is displayed. Under "Sign in", the text "New user?" is followed by a link "Create an account" which is highlighted with an orange rectangular box. Below the link is a text input field labeled "Email address". To the right of the input field is a blue "Continue" button. Below the "Continue" button is a horizontal line with the word "Or" in the center. Underneath the line are three large, rounded buttons for social login: "Continue with Google" (white with a Google logo), "Continue with Facebook" (blue with a Facebook logo), and "Continue with Apple" (black with an Apple logo).

IMPORTANT: You must click Create an account. **DO NOT use Google, Facebook, or Apple**

- On the **Create an account** screen, provide the necessary information. Then click **Create account**.

Note:

The email address you enter will be your Adobe ID, so use a frequently used address that you'll remember.
