

Blackboard can display information of attempted tests and quizzes. Information includes Date/Time stamp, view student's time log, and can clear an attempt.

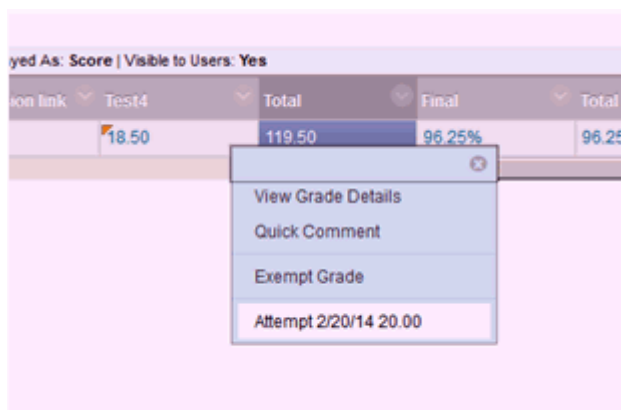

You can view all attempts in a list or by student.

To view a student's attempt:

1. On the left side of the course home page under Course Management., click on 'Grade Center' to expand menu. Click on 'Full Grade Center.'

2. Hover mouse over student's grade. Click on the drop down menu and click on the attempt you want to review.

3. Once the assignment opens, Click on Test Information to expand information. You can review, edit or delete attempts.
