

Enroll for Student Password Reset on Mobile Devices

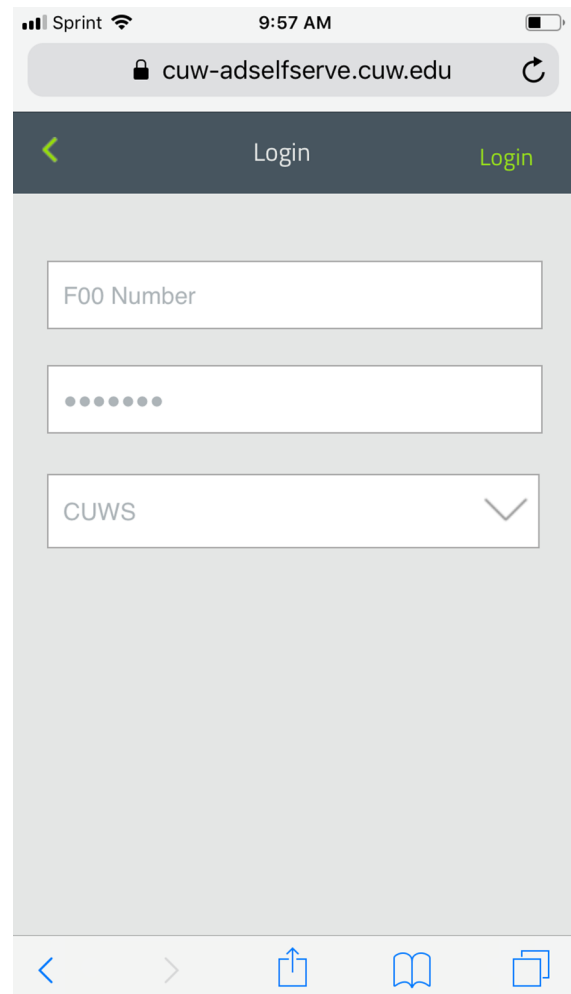

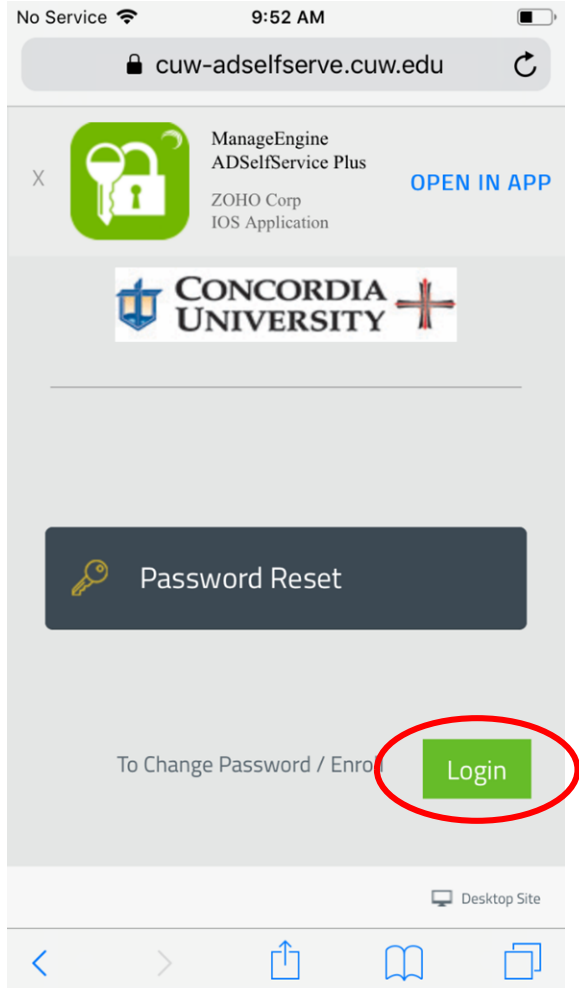

1. Go to my.cuw.edu on a mobile device.
2. Select “Click Here for Help.”
3. Change your password for “Students and Adjunct Faculty.”

4. Select the green “Login” button.

*Do not click on password reset. This will be used after you enroll in the password reset service.

5. Enter your F00 number, initial password, and CUWS as the domain.

6. Under “Enrollment”, add an alternate email (you will use this if you need to reset your password in the future).
7. Select the green silhouette icon and select “Change Password.”
8. Under “Change Password”, type in your initial password and enter a new password of your choice.
